Excited to master your multilingual skills?

- Partner up with a fellow Cal student who is proficient in the language you are learning.
- Practice as often as you’d like, and engage with scholars from all over the world without leaving Berkeley.

Studying Abroad Soon?

- Refine your skills in communicating globally.
- Learn about the culture you will soon be living in.

Interested in becoming a part of a dynamic global learning community?

- Come join our SLC community of over 20 professional educators, 300 student staff, and 7000 student users.
- Form new friendships, foster new connections, and find your community away from home.
