ADVISING & COUNSELING
Scholars will have access to academic advisors and peer counselors who can support them with:
- Course planning
- Major selection
- Career trajectory
- Academic & social adjustment
- Personal & affective issues

RESIDENTIAL LIFE
Scholars will form a close-knit living and learning community in a campus residential complex, located just one block away from campus. They are guaranteed:
- A double/triple room
- A full meal plan
- Study space
- Computer facilities
- Printing privileges

ATTENDANCE COST
The program costs between $6,700-$7,700, depending on the number of units scholars enroll in. Cost includes:
- Housing & meals
- Course fees & textbooks
- All campus service fees
- AC Transit pass
- Bay Area excursions

FINANCIAL AID
Federal financial aid is available for those who qualify. To be considered, scholars must complete the following applications by May 1st:
- FAFSA for both 2017-2018 and 2018-2019; or
- DREAM ACT for both 2017-2018 and 2018-2019

HOW TO ENROLL
Once admitted, scholars can enroll in Bridge by completing the following:
- Accept the admission offer by May 1st
- Submit the Summer Bridge Enrollment Form by May 11th

SUMMER BRIDGE
Make the Golden Bear Leap to Success
JUNE 18-AUGUST 10, 2018
ABOUT US
Summer Bridge serves a globally diverse community of entering undergraduates in an eight-week academic residential program. Scholars are introduced to the rigor of the research university, provided with opportunities to foster meaningful academic and social connections, and empowered to take ownership of their journey at Cal.

ADVANTAGES
Upon completion, scholars will gain a competitive edge over their freshman peers, entering the Fall semester with:

- 6-8 academic units, which count toward their UC GPA & breadth requirements
- A solid academic & social support system
- Thorough exposure to campus life & resources

COURSEWORK
Scholars will take two courses in the following disciplines:

- Arts & Humanities
- Mathematics
- Science
- Social Science
- Reading & Composition

ACADEMIC SUPPORT
Scholars will be plugged into a comprehensive network of academic resources in the Student Learning Center, the largest academic support unit on campus.

Additional resources are available to scholars via:

- Athletic Study Center
- Disabled Students' Program
- GenEq Resource Center
- Educational Opportunity Program
- Undocumented Student Program
- Hope Scholars Program, and many others.
